Jhpiego  
Marie Stopes International  
Monitor Group  
O'Hanlon Health Consulting

# Goals

- Improve implementation of private sector programs in health
- Foster acceptance of and support for private sector programs in health
- Advance knowledge on successful models of private sector engagement

# Expectations for the PSWG for the next year? Next three years?

# 1. Update PSWG Goals

- Improve implementation of private sector programs in health
- Foster acceptance of and support for private sector programs in health
- Advance knowledge on successful models of private sector engagement

## 2. Expectations of PSWG

- What would be of most interest?
  - Sharing experiences and lessons learned
  - Implementing joint PSWG initiatives such as the e-learning course
  - Identifying areas of collaboration or partnership opportunities
- Technical areas of focus
  - Hearing particular speakers
  - Specific topic areas
  - Others

## 3. Broadening PSWG Membership

- Suggestions for who to include?
- How can we do this given distance?
  - On-line discussion space
  - PSWG presentations posted on-line
  - Bulletin board
  - Others

## 5. How often should the PSWG meet?

- Quarterly
- Semi-Annually
- Annually

Thank you!
